KBS ANNOUNCES NEW VICE PRESIDENT

(Richmond, VA) — KBS is pleased to announce that Sam Stocks, PE, has been promoted to Vice President in addition to his continuing title of Senior Project Manager. Stocks will continue to oversee project management in a variety of market sectors, while also taking on new responsibilities as Vice President.

Sam Stocks has more than 18 years experience in construction and 8 years with KBS, most recently as Senior Project Manager with responsibilities for retail projects including The Shops at White Oak Village, Cedar Works at Rockett's Landing, an array of retail projects, and his current work on VCU's Inger and Walter Rice Center for Environmental Life Sciences. His portfolio also includes a diverse group of projects such as The River Lofts at Tobacco Row and One Monument Avenue, formerly Stuart Circle Hospital. Stocks is a graduate of the Virginia Military Institute with a degree in Civil Engineering. He also holds a masters degree in Civil Engineering from the University of Hawaii. Stocks is a registered professional engineer.

Commenting on the promotion, Bill Paulette, President of KBS, said it is "in recognition of Sam's years of valued service to KBS and his increasing role as a member of the KBS Executive Group."

#####

KBS, a \$178 million construction manager/general contractor established in 1975, is engaged in adaptive reuse, assisted living, commercial, healthcare, institutional, multi-residential and retail construction in

Virginia. KBS's diverse portfolio includes CarMax Corporate Headquarters, United Network for Organ Sharing headquarters, River Lofts at Tobacco Row and Maggie Walker Governor's School. KBS is ranked among the top 400 U.S. general contractors in terms of revenue by *Engineering News-Record (ENR)* magazine.
